

# Welcome!

## Graduate

## and

## Professional Students

“Collegiate Village is without a doubt a fantastic setting for all students. The staff and residents make living here at CV very welcoming and comfortable. The wide array of facilities and utilities available at CV allow for great study environments, meeting other residents, exercising around the clock and relaxing by the pool, in the theater or in the main lounge. Collegiate Village truly is a wonderful place to live for any college and/or graduate student!”

*-Mark Saric*

University at Buffalo School of Dental Medicine

CV is committed to making the living arrangements of graduate students as comfortable and enjoyable as possible. Here's How:

- ✓ Apartment buildings exclusively for graduate students
- ✓ Graduate and professional student roommate matching
- ✓ Studio and 1 bedroom floor plans
- ✓ Shuttles to local hospitals for Medical Residency Students
- ✓ Graduate student social events
